OPM/OLMR 80-2

PM 1.39:

FOREWORD

This INDEX contains Federal sector ARBITRATIONS and case determinations of the Federal Service Impasses Panel (FSIP), the Federal Labor Relations Authority (FLRA), and selected decisions of the Federal Employees Appeals Authority (FEAA), the Comptroller General (CG), the Federal Court System, and the Merit Systems Protection Board (MSPB). It also includes case determinations of the Federal Labor Relations Council (FLRC) and the Assistant Secretary for Labor-Management Relations (A/SLMR) issued under E.O. 11491. (Relevant decisions of the Courts will be included in future issues. MSPB cases are combined with FEAA decisions and listed under the MSPB heading.)

These decisions are indexed and listed (beginning on page 1) by the subject matter(s) which they address. The principal subject classifications - CATEGORIES - are listed alphabetically on page iii. A complete listing of the Topics and Items for each subject CATEGORY may be found beginning on page iv. Also, these subject CATEGORIES are keyed to each paragraph of Executive Order 11491 and Title VII of the Civil Service Reform Act of 1978.

This INDEX is derived from the Labor Agreement Information Retrieval System (LAIRS) file which includes all case decisions issued on or before March 1, 1980. Cases are identified by a five-digit LAIRS record number, with the first digit indicating the type of case, as follows:

'0' - FLRA	'5' - FLRC
'1' - Binding Arbitration	'6' - A/SLMR
'2' - Advisory Arbitration	'8' - MSPB (FEAA)*
'3' - Courts	'9' - CG
'4' - FSIP	

TABLES OF CASES are provided on page 260 and following. These TABLES permit conversion of the LAIRS number to the case decision number. (Note: arbitrations are identified solely by the LAIRS number. Digests of arbitrations are available in the publication, Digest of Labor Arbitration Awards in the Federal Service and its supplements. A list of those exceptions to arbitrations which resulted in an FLRA (or FLRC) decision may be found on page 308).

The A/SLMR Table of Cases indicates which decisions were appealed and resulted in a decision by the appropriate authority.

The TABLES also list the OLMR INFO-GUIDE in which that case is analyzed.

HOW TO USE THE INDEX

Decide which of the subject CATEGORIES (page iii) most likely covers the topic you are interested in, then turn to the SUBJECT CLASSIFICATION INDEX (page iv). Scan the Topics and Items listed until you find the one(s) you seek. Turn to the appropriate section of the Index, and under each column heading to the right will be listed the LAIRS number of cases (if any) on that topic. Use the TABLES OF CASES to convert the LAIRS number. (Note that conversion is not necessary if the LAIRS microfiche file is available.)

FOR EXAMPLE: To find cases dealing with the scope of arbitration as such, turn to CATEGORY "02" on page 4. There, under topic "SCOPE" you find two FLRC decisions (50117 - 50260), two FSIP (40011 - 40023), and four arbitrations - three binding (10442 - 10725 - 12364), one advisory (20218). Using these numbers the decisions can be found in the LAIRS microfiche file. Where the microfiche file is not available, the TABLE OF CASES will yield the original case numbers as follows:

page 253 - 50117 - FLRC 75A-23, Reports 70 and 95

page 256 - 50260 - FLRC 78A-88, Report 162

page 249 - 40011 - FSIP 72-4, Release 35

40023 - FSIP 73-26, Release 48

This INDEX is essentially computer-generated. It will be updated at four-month intervals corresponding to the updates of the LAIRS file. Any questions or comments on this INDEX should be addressed to the U.S. Office of Personnel Management, Office of Labor-Management Relations, Washington, D.C. 20415, ATTN: LAIRS Office.

FORDWORD

This INDEX contains Federal sector ARBITRATIONS and case determinations of the Federal Service Impasses Panel (FSIP), the Federal Labor Relations Authority (FLRA), and selected decisions of the Federal Employees Appeals Authority (FEAA), the Comptroller General (CG), the Federal Court System, and the Merit Systems Protection Board (MSPB). It also includes case determinations of the Federal Labor Relations Council (FLRC) and the Assistant Secretary for Labor-Management Relations (A/SLMR) issued under E.O. 11491. MSPB decisions are combined with FEAA cases and listed under the MSPB heading.

These decisions are indexed and listed (beginning on page 1) by the subject matter(s) which they address. The principal subject classifications - CATEGORIES - are listed alphabetically on page iii. A complete listing of the Topics and Items for each subject CATEGORY may be found beginning on page iv. Also, these subject CATEGORIES are keyed to each paragraph of Executive Order 11491 and Title VII of the Civil Service Reform Act of 1978.

This INDEX is derived from the Labor Agreement Information Retrieval System (LAIRS) file which includes all case decisions issued on or before July 1, 1980. Cases are identified by a five-digit LAIRS record number, with the first digit indicating the type of case, as follows:

'0' - FLRA	'5' - FLRC
'1' - Binding Arbitration	'6' - A/SLMR
'2' - Advisory Arbitration	'8' - MSPB (FEAA)*
'3' - Courts	'9' - CG
'4' - FSIP	

TABLES OF CASES are provided on page 269 and following. These TABLES permit conversion of the LAIRS number to the case decision number. (Note: arbitrations are identified solely by the LAIRS number. Digests of arbitrations are available in the publication, Digest of Labor Arbitration Awards in the Federal Service and its supplements. A list of those exceptions to arbitrations which resulted in an FLRA (or FLRC) decision may be found on page 319).

The A/SLMR Table of Cases indicates which decisions were appealed and resulted in a decision by the appropriate authority.

The TABLES also list the OLMR INFO-GUIDE in which that case is analyzed.

HOW TO USE THE INDEX

Decide which of the subject CATEGORIES (page iii) most likely covers the topic you are interested in, then turn to the SUBJECT CLASSIFICATION INDEX (page iv). Scan the Topics and Items listed until you find the one(s) you seek. Turn to the appropriate section of the Index, and under each column heading to the right will be listed the LAIRS number of cases (if any) on that topic. Use the TABLES OF CASES to convert the LAIRS number. (Note that conversion is not necessary if the LAIRS microfiche file is available.)

FOR EXAMPLE: To find cases dealing with the scope of arbitration as such, turn to CATEGORY "02" on page 4. There, under topic "SCOPE" you find two FLRC decisions (50117 - 50260), two FSIP (40011 - 40023), and four arbitrations - three binding (10442 - 10725 - 12364), one advisory (20218). Using these numbers the decisions can be found in the LAIRS microfiche file. Where the microfiche file is not available, the TABLE OF CASES will yield the original case numbers as follows:

page 282 - 50117 - FLRC 75A-23, Reports 70 and 95

page 285 - 50260 - FLRC 78A-88, Report 162

page 278 - 40011 - FSIP 72-4, Release 35

40023 - FSIP 73-26, Release 48

This INDEX is essentially computer-generated. It will be updated at four-month intervals corresponding to the updates of the LAIRS file. Any questions or comments on this INDEX should be addressed to the U.S. Office of Personnel Management, Office of Labor-Management Relations, Washington, D.C. 20415, ATTN: LAIRS Office.

FOREWORD

This INDEX contains Federal sector ARBITRATIONS and case determinations of the Federal Service Impasses Panel (FSIP), the Federal Labor Relations Authority (FLRA), and selected decisions of the Federal Employees Appeals Authority (FEAA), the Comptroller General (CG), the Federal Court System, and the Merit Systems Protection Board (MSPB). It also includes case determinations of the Federal Labor Relations Council (FLRC) and the Assistant Secretary for Labor-Management Relations (A/SLMR) issued under E.O. 11491. MSPB decisions are combined with FEAA cases and listed under the MSPB heading.

These decisions are indexed and listed (beginning on page 1) by the subject matter(s) which they address. The principal subject classifications - CATEGORIES - are listed alphabetically on page iii. A complete listing of the Topics and Items for each subject CATEGORY may be found beginning on page iv. Also, these subject CATEGORIES are keyed to each paragraph of Executive Order 11491 and Title VII of the Civil Service Reform Act of 1978.

This INDEX is derived from the Labor Agreement Information Retrieval System (LAIRS) file which includes all case decisions issued on or before October 1, 1980. Cases are identified by a five-digit LAIRS record number, with the first digit indicating the type of case, as follows:

'0' - FLRA	'5' - FLRC
'1' - Binding Arbitration	'6' - A/SLMR
'2' - Advisory Arbitration	'8' - MSPB (FEAA)*
'3' - Courts	'9' - CG
'4' - FSIP	

TABLES OF CASES are provided on page 268 and following. These TABLES permit conversion of the LAIRS number to the case decision number. (Note: arbitrations are identified solely by the LAIRS number. Digests of arbitrations are available in the publication, Digest of Labor Arbitration Awards in the Federal Service and its supplements. A list of those exceptions to arbitrations which resulted in an FLRA (or FLRC) decision may be found on page 320).

The A/SLMR Table of Cases indicates which decisions were appealed and resulted in a decision by the appropriate authority.

The TABLES also list the OLMR INFO-GUIDE in which that case is analyzed.

HOW TO USE THE INDEX

Decide which of the subject CATEGORIES (page iii) most likely covers the topic you are interested in, then turn to the SUBJECT CLASSIFICATION INDEX (page iv). Scan the Topics and Items listed until you find the one(s) you seek. Turn to the appropriate section of the Index, and under each column heading to the right will be listed the LAIRS number of cases (if any) on that topic. Use the TABLES OF CASES to convert the LAIRS number. (Note that conversion is not necessary if the LAIRS microfiche file is available.)

FOR EXAMPLE: To find cases dealing with the scope of arbitration as such, turn to CATEGORY "02" on page 4. There, under topic "SCOPE" you find two FLRC decisions (50117 - 50260), two FSIP (40011 - 40023), and four arbitrations - three binding (10442 - 10725 - 12364), one advisory (20218). Using these numbers the decisions can be found in the LAIRS microfiche file. Where the microfiche file is not available, the TABLE OF CASES will yield the original case numbers as follows:

page 282 - 50117 - FLRC 75A-23, Reports 70 and 95

page 285 - 50260 - FLRC 78A-88, Report 162

page 278 - 40011 - FSIP 72-4, Release 35

40023 - FSIP 73-26, Release 48

This INDEX is essentially computer-generated. It will be updated at four-month intervals corresponding to the updates of the LAIRS file. Any questions or comments on this INDEX should be addressed to the U.S. Office of Personnel Management, Office of Labor-Management Relations, Washington, D.C. 20415, ATTN: LAIRS Office.
